Headteacher: Mrs Nicola Smallwood

Dear Parents/Carers,

Our school's Ofsted report has been published today and a copy is on Dojo. We are pleased with the judgements of good for behaviour and attitudes and personal development. The report states that our children are happy and well mannered, enjoy coming to school and benefit from the kind interactions with staff. The wide range of clubs available to our children and the contribution our children make to the local community is acknowledged. The school's provision to promote pupil's personal development prepares them well for life in modern Britain. Children are safe at school and this was highlighted by Safeguarding being effective in the report. Pupils know how to keep themselves healthy both physically and mentally and know what constitutes a healthy relationship. The responsibility that children have and enjoy being responsible for in school is highlighted. Parents' view and staff surveys were extremely positive and there were many lovely comments.

We are disappointed with the judgement for quality of education, leadership and management and early years and would like to reassure you that the Leadership team, Governors and staff are already working closely with the Local Authority and the Diocese to rapidly improve areas that have been highlighted. We look forward to the opportunity to be inspected again so that we can return to a judgement that reflects the ongoing good work of the school.

We had parents' evenings before half term but if you have any questions about the report or your children's progress, please do not hesitate to ask me.

Best wishes

Nicola Smallwood.
Headteacher

Sarah Blackburn
Chair of Governors.
