

EVALUATION OF IMPACT OF ACTIONS TAKEN IN THE PUPIL PREMIUM STRATEGY

The school has been disrupted by COVID19. For the first 2 terms the school puts in place a variety of intervention packages which take time to impact upon the pupils.

We continue to aim for the children to be making comparable achievements as their peers by the time they leave our school. This year no children took SATs.

In September the children will receive a baseline assessment and money will be targeted to help our Pupil Premium children.
