2023 Key Stage 2 Assessment

This cohort of 32 children included:

- a) 1 child from our Strategic Facility for children with Autism
- b) 4 children who were below the standard of the test
- c) 1 child who was being taught out of curriculum year in Year 5
- d) 1 child who had left before taking the test
- e) 1 child who was absent for test week

This needs to be considered when comparing our school's results with the National Average.

Therefore, we have presented our results in the following way:

	Cohort 32 (all children)	Cohort 26 (excluding a-c above)	Cohort 24 (excluding a-e above)
Percentage achieving expected standard in reading	50%	62%	67%
Percentage achieving expected standard in writing	59%	73%	*76%
Percentage achieving expected standard in maths	44%	54%	58%
Percentage achieving expected standard in reading, writing and maths	37%	46%	50% *48%

*based on 25 children who were assessed
